## SALINERA BIOENERGY RESORT

Set amidst of beautiful scenery of littoral Slovenia, the *Salinera Bioenergy Resort* is situated between the towns of Izola and Portorož in the close proximity of the *Strunjan Nature Reserve*. The Resort provides hotel and apartment accommodation, and boasts an excellent climate, wild nature, pristine sea, long sunny days and sunsets over the water - all of this and a whole lot more; it is the perfect place to enjoy the tranquillity and comfort of a naturally mild Mediterranean milieu.

---

## SALINERA HOTEL \*\*\*\*

This Hotel, sheltered amidst verdant Mediterranean flora, is located at the edge of the Resort and is ideal for those who want to relax in an immaculate environment. Refurbished in 2004, the *Salinera Hotel* has 101 rooms comprising standard three-star accommodation, together with new superior four-star rooms that were built in 2006. In addition, the newly constructed part of the Hotel also provides family rooms for 3 to 5 persons and a suite.

## ENERGY PARK

The *Energy Park* is situated in the very heart of the Resort, in front of the *Salinera Hotel*. Further to its captivating appearance and verdant Mediterranean vegetation, the Park features twelve energy points each of which relieve a number of health conditions, improve psychological and physical well-being, and exert a beneficent impact on general health.

### THE PARK AND ITS TWELVE ENERGY POINTS

Each point is aimed at a part of the body, and detailed information is available in a leaflet which provides an explanation as to the actual function of the energy points. It is highly recommended to make several visits to the Park.

## CONFERENCE ROOM

The *Salinera Hotel* features the *Benedikt Conference Room*, which can cater for up to 60 persons, and a seminar room that can host up to 10 people. State-of-the-art technical equipment and room adaptability facilitates the organisation of almost any event, such as smaller congresses, seminars, workshops, presentations, press conferences, business meetings and round table discussions, whereas the adjacent Park is a perfect venue for various outdoor training activities and workshops.

### CONFERENCE ROOM EQUIPMENT:
