"The Little Prince" by Antoine de Saint-Exupery.

The Little Prince was published in 1943, is one of my favourite children's book. It's a fairy tale which is full of love, friendship and kindness. It's one of the most interesting and well-known stories ever written.

It is set in the Sahara Desert. The story starts with meeting a pilot and the Little Prince. The Prince told him about ~~his~~ life on his planet and his wonderful rose which he loves so much. During his adventure he met a yellow snake, a desert flower, fox, a railway switchman and a merchant.

As for me, I enjoy reading this book for different reasons. Firstly, I like the plot ^{and characters}. Secondly, the story helps to understand important things. Well, I read this book in English because I want to improve my reading skills. As for my school library, I think this book ^{should} ~~must~~ be there because it ~~is~~ will be interesting ^{and helpful} for ~~the~~ students of all ages.

In conclusion, I'd like to say that "the Little Prince" ^{is} the most interesting and exciting book I have ever read. I recommend it to read not only children but also adults.
