

# How can we help to protect the environment?

Gazing through the window at the world  
outside...

Wondering will mother earth survive,  
Hoping that mankind will stop abusing  
her sometime.

Смотрю сквозь окно на мир снаружи...  
Мне интересно, выживет ли Мать-  
земля,  
Живущая надеждой на то, что  
человечество когда-нибудь  
перестанет ее мучить.

(Ozzy Osbourne)

**Protecting the environment is one of today's most serious issues.**

**It is not a secret that our planet is  
in danger!**

**Almost every day we hear about  
a new problem affecting the  
environment. This list seems to  
be endless!**

**Our planet is the only place  
where a human being might live**

**Unfortunately, scientists haven't yet  
discovered other planets, to where a person  
may move and live the rest of life. That's why  
we have to take care of the Earth and look  
after our nature and surroundings as well as  
possible.**

**A human being is able not only to  
create but also to destroy**

**Especially our earth suffers badly  
from pernicious actions of man**

# How do humans affect the environment?

**Humans pollute a lot and contribute to air pollution, water, sound, radiation, light and even soil pollution.**

**This pollution is harmful not only to humans but also to animals and plants around. This pollution decreases the healthy life span**

# **Factories regularly emit harmful chemicals into the air**

**Petrol and gas, that are used by our drivers, also harmful for the environment**

**A person destroys not only environment,  
plants, animals, but also himself**

**Faster and faster man,s  
health starts worsening**

**Let's protect the nature.  
Nature is our friend!**

# How to go green?

**Do not waste natural resources**

# Use ecologically clean goods and transport

**СОХРАНИ ПЛАНЕТУ  
ГОДНОЙ ДЛЯ ЖИЗНИ**

**ВЫБИРАЙ  
ЭКОЛОГИЧЕСКИ ЧИСТЫЙ  
ТРАНСПОРТ**

# Sort your rubbish

# Use recycled papers to help save trees

Одно кольцо дерева:  
год, чтобы вырастить,  
секунда, чтобы уничтожить.

Не переводите бумагу!

54 кг ГАЗЕТНОЙ БУМАГИ,  
СДАННОЙ В ПЕРЕРАБОТКУ,  
ПОЗВОЛЯЮТ СОХРАНИТЬ

**ОДНО ДЕРЕВО**

# Refuse to use plastic bags offered by supermarkets

# Plant more trees and plants

**Do not cut forests**

**Let's protect our environment!**

**Let's protect our environment!**

**Thank you for your attention**
