Handwriting practice sheet for the letter 'A' on a grid. The sheet includes three large boxes at the top showing stroke order: 1) a square with a vertical dashed line and a horizontal dashed line, with arrows indicating the stroke path; 2) a square with a diagonal line from top-left to bottom-right and an arrow; 3) a square with a diagonal line from top-right to bottom-left and an arrow. Below these are rows of dashed lines for tracing, followed by rows of dots for independent writing. The bottom section features tracing for the letter 'A' in various orientations (upward, downward, and horizontal) and a row of dashed lines for independent writing.

Handwriting practice grid for the number 2. The grid contains the following rows of exercises:

- Three large boxes at the top showing stroke order for writing the number 2.
- A row of 9 small numbers with arrows indicating stroke direction.
- A row of 9 wavy lines.
- A row of 9 numbers with arrows indicating stroke direction.
- A row of 9 dotted numbers for tracing.
- A row of 9 numbers with dots for tracing.
- A row of 2 triangles.
- A row of 2 circles.
- A row of 10 zigzag lines.
- A row of 4 zigzag lines.
- A row of 5 square waves.
- A row of 4 diagonal lines.
